One Way Detail Announces Their New Permanent Location

One Way Detail is excited to announce their new permanent location! The temporary move from Newnan Street to 103 Folds Drive lasted for a short year and now the folks over at One Way Detail have found a great new visible location at the former Grease Monkey off Bankhead. The move will take place this year towards the end of Fall. They hope to be in by December 2nd. The former Grease Monkey was the home to All Access Audio which closed a few months ago after moving from Newnan Rd. Since then it has been listed for lease. It is the perfect fit for One Way Detail! The new spot hosts several bays for easy cleaning and detailing. The new location will give them prime access off Bankhead around the Tower Plaza Shopping Center.

The Robin's Nest just opened this month off Valley Run Drive just off Alabama Avenue. This is directly behind the car lot up on the small hill. It was a former AMVETTS Building years ago from what we were told. The menu is very extensive with a Veggie Lunch Menu, Variety of Nests (Baskets), Steaks, Grilled Items, and more.
